What is the difference between a Google Account and Gmail?

If you use Gmail, you already have a Google Account. With a Google Account, you have access to Google products at no charge like Drive, Docs, Calendar, and more. To sign in to your Google Account (or any Google product): Go to the sign in page of the product (for Google Accounts it is myaccount.google.com).

How to create Google Account

1. Go to myaccount.google.com, then click on Create an account button

2. Enter your information, click on Next button
