The breaking procedure: Ties for first and second place, gross and net, in each flight shall be broken using the last 9 holes of the second round, if necessary, the last 6 holes, then the last 3 holes and if necessary the 18th hole. The Low Net playoff shall allot handicap strokes on the scorecard, so that net scores are used.

Scenario 1 – Players A and B have tied for first place gross. Using the procedure above, Player A and B have tied for the last 9 holes at 43 per player. Therefore, the next step is to look at the last 6 holes. Player A has a total of 29 (3+5+4+4+6+7). Player B has a total of 29 (3+5+3+5+6+7). Both tie. The next step would be to use the last 3 holes. Player A has a total of 17 (4+6+7). Player B has a total of 18 (5+6+7). Player A wins first place gross while Player B wins second place gross as long as she is not eligible for any other flight prize.

Scenario 2 – Players C and D have tied for first place net. Using the procedures above, on the last 9 holes played, Player C has a net score of 33 (42 – 9). (Player C has 10 pops on the front side and 9 pops on the back side). Player D has a net score of 33 (43 – 10). (Player D has 11 pops on the front and 10 pops the back) Therefore the next step is to look at the last 6 holes. Player C has a net score of 23 [(3+5+4+4+6+7) – 6 pops]. Player D has a net score of 22 [(3+5+3+5+6+7) – 7 pops {2 pops on Hole #18 + a pop on each of the other 5 holes}]. Player D would win first place net while Player C would receive second place net, as long as she is not eligible for any other flight prizes.
